Dip Pots

We can manufacture Dip Pots from 20g up to 70g.

Case Size varies from 180 units to 300 units depending on size of pot.

Pallet size from 42 cases to 66 cases .

Minimum Runs

If the product is in a clear pot and lid (product description and date code is ink jetted onto lid), then the minimum order is 2 pallets at a time.

Shelf Life is dependent upon the recipe, but with the odd exception , it will be between 6 months and 12 months from date of manufacture .

All products must be ordered in full straight pallets (no mixed pallets).

Branded Pots

If the recipe is a standard Zafron Foods product, then minimum order per line is 3 pallets.

For bespoke recipes it is 5 pallets, you would also be responsible for underwriting any new ingredients we use.

All products must be ordered in full straight pallets (no mixed pallets).

If you require a fully printed label, then , we will put you in touch with our printers and they will invoice you directly for labels. Minimum of labels is 100,000 per line.

You will also be responsible for any incidental costs, such as artwork etc.

Please contact us for more information at info@zafronfoods.co.uk

Pallet configurations: 120 cases of 100 x 25g per pallet

Bespoke and own label products

Bespoke and Own Label products

We are very happy undertake bespoke and own label recipes, however the following conditions must be met.

Bespoke Recipes

Minimum order per line/recipe/size, is 3 pallets at a time, if the product is packed into buckets, for 1 litres the order is 5 pallets.

Pallet Configurations 80 x 10 litre, 150 x 5 litre and 140 cases x 6 x 1 litre.

Labels can be designed by yourself, subject to cutter guidelines.

You will deal directly with our printers, who will then invoice you direct for the labels. Minimum order per line/size is 10,000 labels.

You will also be responsible for any incidental costs, such as artwork etc. If we have to bring in bespoke ingredients, then you will be required to underwrite the cost of these.

Own Label

If the recipe is a standard Zafron Foods product, then minimum order per line is 3 pallets.

All products must be ordered in full straight pallets (no mixed pallets). Pallet configuration 80 x 10 litre and 150 x 5 litre.

Depending on what type of label you require e.g there will be no cost if you require just a plain black and white label. If you require a fully printed label, then, we will put you in touch with our printers and they will invoice you directly for labels. Minimum of labels is 10,000 per line.

You will also be responsible for any incidental costs, such as artwork etc. To retain any own label business for year to, you must have 30 tonne per recipe (40 pallets).
